

Expression of Interest for Design and Build Suppliers

HS1 Ltd seek expressions of interest from suppliers with the capability to both Design and Build a RIBA Stage5 design for the extension of current retail units inside a Grade I listed building. The supplier will be required to undertake both Principal Designer and Principal Contractor roles (and Quantity Surveying duties) under CDM and have experience of working on a Grade I listed building.

Form of contract - HS1 expects to use two separate contracts: (1) NEC3 Professional Services Contract for RIBA Stage 5 and (2) NEC3 Engineering & Construction Contract for build.

Suppliers who meet the requirements are required to send their details of their company to the following email address - procurement@highspeed1.co.uk

Estimated procurement commencement date – early June 2019.
