

HS1 LTD ELECTRICITY SUPPLY CONTRACT

PRIOR INFORMATION NOTICE

HS1 is seeking to procure its next generation Electricity Supply Contract (ESC) which will have a duration of 5+ years. The new contract will have an initial lead in period from April 2023 to allow for forward planning and purchasing and will become live for Supply from 1 April 2024.

The ESC will need to be strategically aligned to HS1's Sustainability Strategy and will need to facilitate 100% renewable energy. There is a specific requirement for the ESC to accommodate current and future Corporate Power Purchase Agreements.

The RFP including the full-Service specification and evaluation criteria will be published in the Call for Competition expected to be issued towards the end of June 2022. There will be an eight-week response time allowed for any interested bidders meeting the published criteria to submit their response.

If you are interested in receiving the tender pack, please ensure you are registered on the procurement portal via the link below, and confirm this along with your organisation's Portal user ID, and your interest to procurement@highspeed1.co.uk
